This policy is written in line with the Expectations and Core practices of the UK Quality Code for Higher Education (Quality Code), which are a key reference point for higher education providers in all parts of the UK.

This Policy relates to three separate but interconnected areas, admissions, recruitment and widening Access, which are of interest to prospective students, enrolled students and their supporters (such as relatives or educators). It recognises that different learner journeys result in multiple and varied pathways to enrolment. The manner or order with which the prospective student and the provider connects with enrolment will not necessarily be uniform.

## **1. PURPOSE**

- 1.1. To ensure that all students and potential students are screened for criminal convictions and that any disclosures are dealt with securely, consistently, and fairly.

## **2. SCOPE**

- 2.1. This procedure applies to all potential and actual students.

## **3. APPLICATIONS - GENERAL**

- 3.1. All applicants to full-time and part-time courses are asked on the application form if they have relevant spent and unspent criminal convictions or pending court cases for sexual or violent crimes, or those involving drug dealing. Applicants can find more information about whether a conviction should be declared through the following government guidance: [https://www.gov.uk/government/uploads/system/uploads/attachment\\_data/file/299916/r-ehabilitation-of-offenders-guidance.pdf](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/299916/r-ehabilitation-of-offenders-guidance.pdf)
- 3.2. The College will request all applicants for full-time courses who apply via UCAS to declare relevant spent and unspent criminal convictions or pending court cases. This information is not requested by UCAS but the College will request this declaration following receipt of the application.
- 3.3. Applicants who declare a relevant conviction are asked to complete a supplementary form giving details of all relevant spent and unspent convictions in relation to the following offences: sexual, violent and/or drug dealing.
- 3.4. The completed Criminal Conviction form should be screened by the Safeguarding Officer who will make an initial assessment of whether the record is relevant or not. If deemed not relevant, the application form should be released for further processing.
- 3.5. Where the criminal record is considered relevant (including all offences against the person - physical or sexual, or drug dealing) the applicant should be referred to the Safeguarding Officer who may need to gather information and seek advice from other agencies involved with the applicant, before arranging for the student to be interviewed and risk assessed. The final decision to proceed with enrolment will be made by the Designated Safeguarding Lead.
- 3.6. If an application is approved, subject to certain conditions, the decision should be agreed with the relevant Head of School.
- 3.7. The risk assessment will be recorded and the applicant informed of the outcome.
- 3.8. The relevant Head or School will inform any staff who need to know if a student is admitted to the course with conditions for managing risk or particular support needs.
- 3.9. If the outcome deems that the learner is unsuitable for the College at this time the Admissions Team will be informed of the decision and the application will be withdrawn. A note will be added to Pro-Solution if appropriate.
- 3.10. All completed forms and risk assessments (signed) should be scanned and stored in the secure Safeguarding folder on the College SharePoint.

#### **4. COURSE SPECIFIC CRIMINAL RECORD ISSUES**

- 4.1. On certain courses criminal records can be a bar to successful completion of the course or to gaining employment in the vocational area. These issues should be addressed at the interview stage.
- 4.2. For courses with mandatory elements which require students to have DBS (Disclosure and Barring Service) checks, the interviewing tutor will outline the importance of this and the consequences of not disclosing any record, caution, reprimand or final warning no matter how minor.
- 4.3. Applicants for these courses should be encouraged to apply for their checks as early as possible.
- 4.4. If a serious issue arises that results in a dismissal the relevant Head of School will pass this information to the Designated Safeguarding Lead as well as contacting external parties in line with relevant duties and responsibilities.
- 4.5. If a student declares a criminal record or a DBS check reveals a criminal record which is likely to cause the student to be unable to complete some mandatory element of the course, a place cannot be offered. The student should be directed to the Safeguarding Officer who will liaise with careers for advice on other options.
- 4.6. Where a criminal record is revealed which does not impact on the applicant's ability to complete the course, but which might affect their chances of gaining employment in the vocational area, this should be discussed with them and a record of the discussion kept on their file. It should also be pointed out where relevant that universities might refuse places on these grounds. A place can still be offered on the course if the tutor is clear that the student understands the implications and still has valid reasons for doing the course (e.g. it represents a good general grounding for a number of career options or for admission to a range of progression options).

#### **5. ISSUES ON COURSE**

- 5.1. Where it is revealed during a course that a student has not disclosed a criminal record, the Designated Safeguarding Lead and the relevant Head of School will consider appropriate disciplinary action, depending on the severity and impact of the disclosure.
- 5.2. Where a criminal prosecution or conviction occurs during the course, a risk assessment will be undertaken by the Safeguarding Officer and appropriate action will be taken.
- 5.3. Students will be informed at induction of the necessity of disclosing a relevant criminal prosecution or conviction that occurs during their course.
- 5.4. When a relevant criminal prosecution or conviction occurs during a student's course, the student must inform the Safeguarding Team by contacting: [safeguarding@liv-coll.ac.uk](mailto:safeguarding@liv-coll.ac.uk)
- 5.5. Any particular support needs of students resulting from their criminal record will be monitored by the personal tutors to ensure that these are met where practical.
- 5.6. Students should be made aware on relevant courses of the impact Disqualification through Association (Feb 2015) may have on future employment.

#### **6. RIGHT OF APPEAL**

- 6.1. An applicant who is unhappy with the outcome of this procedure can appeal to the Designated Safeguarding Lead. The appeal must be in writing and must be made within two weeks of the decision made on the application. The appeal will be responded to within a further two weeks. The decision of the Designated Safeguarding Lead will be final.
